

# Choice Layout (The Labrys)

## Remove the Labrys card

1. Area of choice. A clean slice. Where to choose without apology, without regret. And/or: where am I experiencing my will in action, my power of choice?
2. Be careful here. What am I cutting off, slicing away, shearing off, leaving behind?
3. Base of power—I wield my strength and choosing from here. What supports me?
4. Hold steady. Balance point. Reminder point. Temperance. I temper my choices here. What do I need to know/remember as I choose?
