

SIMPLE AND SACRED
AN AFFIRMATION PRAYER
(THE HEART OF #30DAYSOFGODDESS)

**I pause to bear witness.
I pause to connect.**

**I settle into presence.
I return to center.**

**I extend my awareness.
I soften into the expansive.
I listen to the landscape,
to the Goddess,
to my heart.**

**I open myself to enchantment,
to the magic of the moment,
to the magic of the ordinary.**

**I feel my own belonging.
I steep in my own magic.**

**I step into my own knowing.
I trust that I walk on sacred ground
and am enveloped by the holy.
I breathe the breath of grace.**
